Create a leaflet about places of worship and tell me who visits these places of worship and what people of that faith do there. You your conjunctions and a variety of different punctuation.</p> <p>★★★</p>

Every child **must** complete at least **1x English, 1x Maths and 1x Science** activity. The children can choose which star level activity they would like to do. Children can do more than one activity from each heading and will be rewarded at the end of the half term, based on how many stars they collect. If children do not complete the minimum number of activities required, they will have to complete the activities during the reward time.
