

Sports Premium Priorities and Proposed Spend September 2022 to July 2023

Following the success of The London 2012 Olympic Games, the Government is determined to ensure a lasting legacy from 'The Games'. Developing an enjoyment of sport and physical activity, together with promoting active healthy lifestyles in children, are aspects of this. To this effect, the Government is providing additional funding for the academic years 2022 – 2023 to improve provision of physical education (PE) and sport in primary schools. The money is provided by the Departments for Education, Health and Culture, Media and Sport and can only be spent on provision of PE and sport in schools.

The Department of Education has provided additional guidance on how schools and academies use the funding to make additional and sustainable improvements to the quality of PE and sport that we offer. This funding focuses on developing or adding to the PE and sport activity offer and to build capacity and capability within the academy to ensure that improvements made now will benefit pupils joining the school in future years that the Sports Premium Allocation focuses on the following.

Key indicators.

1. Engagement of all pupils in regular physical activity.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and physical activities offered to all pupils.
5. Increased participation in competitive sport.

Rationale:

Beal Vale Primary School actively participates in a wide range of sporting events and competitions as part of the Crompton House Primary Cluster and the Oldham School sports package. Beal Vale aims to provide opportunities for all children throughout the year in key Stage 2 and to participate in at least one sporting event or competition.

Swimming Data 2022/2023

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	83 %
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	83 %
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	70 %
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Following detailed analysis and evaluation of the provision for PE and sport including the attainment and achievement of children; the curriculum and extra-curriculum offer; inter and intra school competitions and the quality of PE provision Beal Vale has identified the following priorities:
