Art Workshop at St Thomas'

Our Year 4 children continued their 'linking project' with the newest member of the Crompton House MAT, St Thomas' in Werneth, as they attended a fantastic art workshop on Tuesday. The children used printing techniques to create their masterpieces as well as building new friendships with other children. The MAT now consists of 4 schools, Crompton House, Beal Vale, St Hughs' and St Thomas'. It's a pleasure building opportunities together. Well done Year 4!

Parent Workshops

We are looking to arrange two parent workshops in the coming weeks:

- Helping your child with emotional regulation
- Helping you to establish a good sleep routine for your child.

Please see the ParentApp message from 25.1.24 to indicate a preference for the best time of day for the workshops to run. Thank you for your support!

PTA Meeting

Our next PTA meeting is being held on Monday straight after school and we would invite any interested parents to attend. The PTA organises school discos and the Summer Fair, to raise money for the 'luxuries' school cannot afford. These include Christmas gifts, playground equipment, ICT resources and most recently the new school stage.

If you are able to help out, either planning or at events, please attend the meeting or give your details at the school office. Thank you!
