Year 1 visit to Neeli Mosque

Our Year 1 children enjoyed a trip to Neeli Mosque, Rochdale on Wednesday. They were warmly welcomed and given a tour of the beautiful building. The children learned all about how our Muslim friends pray and the ritual of Wudu (washing before prayer) that is such an important part of the religion. The children behaved wonderfully and showed respect and understanding. We are so pleased to make these relationships with other communities and look forward to future visits.

Reporting absences

If your child is too poorly to attend school, please reported this using either the **ParentApp** or with a **call** to the school office on **0161 770 7350**.

Emails cannot always be accessed and so absences reported this way may not be recorded on the register in a timely enough manner.

Thank you for your support in this matter!

Library Visits

Both our Reception class and Year 2 children have been lucky enough to visit Shaw library this week. The children have the opportunity to explore the library, learn what resources are available and even get the chance to borrow books to bring home. The local library is such a valuable community resource and since our school visits have begun, it has been fantastic to see our children continue to use the library in their own time after school. Good work everyone!
