### Trips, trips and more trips

What a busy week it has been in school with 3 different trips taking place and Internet Safety Day.

Reception made their way through the pouring rain to the Runway Visitors centre at Manchester Airport. They had an amazing time spotting planes taking off and landing and even got to sit in a cockpit. The tour centre employee said they were the best group she had ever had - even putting pleases and thank yous were they didn't need to be. Fantastic Reception!

Year 3 visited Murton Park in York on Wednesday, spending the day learning to be Roman soldiers and what life was like in Roman occupied Britain. They even managed to successfully ward off a Celt invasion. Well done Year 3!

Finally, Year 6 tested their nerve as they scaled the heights at Summit Up, to complete their geography topic on mountains. All the staff were so impressed with your resilience and bravery. Good work, Year 6!

### Year 4 Assembly

This morning we were treated to a fantastic assembly by Year 4, showcasing all they have learned so far this term. What confident speakers you are and beautiful singers too!  
It's the turn of Year 1 next Friday morning!

### Safer Internet Day

We hope you have all had the opportunity to jump on Facebook or X (Twitter) to have a listen to the fantastic raps created by all our classes for Safer Internet Day. Keeping safe online is so important for our young learners and much fun was had changing the lyrics of a 'staff favourite' (did you all recognise it?) to help us remember our safety rules. Voting for your favourite is now over but please give them a listen and discuss the rules with your child.
