Year 3 Waste Experts

On Tuesday our Year 3 children travelled to Huddersfield to visit the Waste Experts Recycling Plant. As part of their Reduce, Reuse and Recycle topic, the children learned all about the impact of waste and the importance of looking after our world. A huge thank you to Ian Buckley who arranged for both the coach and visit to be paid for by CEF making this a free trip for our pupils. Well done Year 3!

OFSTED Report

We are very proud to share with you the outcome and report from our recent OFSTED inspection where Beal Vale was once again judged to be a 'GOOD' School. Thank you to everyone who spoke to the inspectors or filled in the online survey. Hard copies available on request.

Water Safety Sessions

This afternoon and next Friday, Jo from Dolphin academy is in school to deliver Water Safety sessions to all pupils. As the weather improves, it is vital that the children understand how to stay safe around open water.
